

# I'm Not Perfect

J. Moss

I'm.....

Anybody ever been here...

I just want to take a lil time and speak my peace

(J. Moss)

Everyday is a mad race movin at a fast pace...ya'll

Never seem to get a break never seem to get a way..Naw

If it ain't working hard its being a dad or mom...

I'll be the first to admit of neglecting the relationship,...

With God( Not talking to u)

With God(Not spending time with u)

With God(Like I should forgive me I'll do better)

Chorus

I'm Not Perfect but I'm trying

(when u needed me there were a few times I did not come running)

I'm Not Perfect but I'm working

(when u wanted more I would give u less and Lord I'm sorry)

I'm Not Perfect but I'm getting closer the more that I know u

(Please give me another chance)

I'm Not Perfect but I'm better than I was on yesterday

(Anthony Hamilton)

Everytime I think about the times u bail me out God

(You've been so good to me)

Just want to scream and shout

If it ain't a conference call or playing basketball

I may forget to pray its been part of my day

With God(for not talking to u)

With God(never saying thank u)

With God(Like I should forgive me I'll do better)

Chorus

I'm Not Perfect but I'm trying

(when u needed me there were a few times I did not come running)

I'm Not Perfect but I'm working

(when u wanted more I would give u less and Lord I'm sorry)

I'm Not Perfect but I'm getting closer the more that I know u

(Please give me another chance)

I'm Not Perfect but I'm better than I was on yesterday

Chorus

I'm Not Perfect but I'm trying

(when u needed me there were a few times I didn't come running)  
I'm Not Perfect but I'm working  
(when u wanted more I would give u less and Lord I'm sorry)  
Vamp  
I'm Not Perfect  
(Ur the one I love the most)  
So how can I  
(Forget to say I love u)  
Always....  
(How u look beyond my pride inside and blessed me) Anyway....(u loved me)  
I'm Not Perfect  
(u gave ur life for me)  
So how can I....  
(act like I don't hear u) Always...  
(Let me come back to u)  
Anyway...  
(forgive me)  
(Lord I'll never never turn my back on you again)  
Chorus  
I'm Not Perfect but I'm trying  
(when u needed me there were a few times I didn't come running)  
I'm Not Perfect but I'm working  
(when u wanted more I would give u less and Lord I'm sorry)  
I'm Not Perfect but I'm getting closer the more that I know u  
(Please give me another chance)  
I'm Not Perfect but I'm better than I was on yesterday
