

Swords (To Rococo Rot remix)

Leftfield

Danger in every corner
I have become pure water
I can identify, I close my eyes I wear my sword at my side
I wear my sword at my side Cleanse me deep in the fire
I have become pure water I wear my sword at my side
I wear my sword at my side I wear my sword at my side
I wear my sword at my side I have become pure water
I have become pure water
I have become pure water
