

# Wave

## Frank Sinatra - Antonio Carlos Jobim

Hi, hi, I was running after you for a long time  
I, I was watching you for, actually, I've watched you for a long time  
I like to watch you when you're walking back and forth on the beach  
And the way you, the way your cloth looks, I like  
I like to see the edges, the bottom of it get all wet  
When you're walking near the water there  
It's real nice to talk to you, I didn't  
I, I, I, I, I, how are you? how are you?  
I saw, I saw you from your balcony window and  
And you were standing there, waving at everybody  
It was really great because there was about a billion people there  
But when I was waving to you, the way your face was, it was so  
The way your face was, it made me feel exactly like we're  
It's not that you were just waving to me  
But that we were we were waving to each other  
Really it was really wonderful, I really felt happy, It really made me happy  
And I, I just wanted to thank you, because, you, you really, really

You made me, you made me feel good and oh I, it's nothing  
I, I, well I'm just clumsy, yeah, no, it's just a band-aid, no, it's okay  
Oh no, I'm always doing something's always happening to me  
Yeah, well, I'll be seein' ya, goodbye, bye

Wave thou art pretty  
Wave thou art high  
Wave thou are music  
Wave thou are white  
Oh, Albino  
Oh, Albino  
Wave thou art high  
Wave thou art pretty  
Wave to the city  
Wave  
Goodbye, goodbye sir, goodbye papa
