Make It Alright

The Walls Group

HeyYou can make it alrightWith a hint of a smileIf I could just let you know
With a wink of an eyeMy heart's in your handsGo carefullyNot lettin go
Still holdin onYou can make it alrightHey, YeahYou can make it alrightYeah, yeah, yeahYou can make it alright
Oh, yeahYou can make it alrightYeah, yeah, yeahYou can make it alright
FaithSo rusty and cold
When a promise is madeJust hangin bareOn the shoulders of timeCrushin the willClose to the lineBut still holdin onNot lettin goYou can make it alrightHey, yeah
You can make it alrightYou can make it alright
Yeah, yeah, yeahOh, yeah, yeahYou can make it alrightYeah, yeah, yeahYou can make it alrightYou can make it alright
Hey, YeahYeah, yeah, yeah
You can make it alrightYou can make it alrightOh, yeahYou can make it alrightYeah, yeah, yeahYou can make it alrightYou can make it alrightYou can make it alright
Oh, yeah
You can make it alright
