

# Say Hello to Your Brand New Favorite Pizza

## Parry Gripp

You've never had a pizza like this,  
sauce so delicious and crust that's so crisp.  
Plenty of cheese and toppings galore,  
once you've had one slice, you're gonna want more. Open your mouth  
and say hello  
to your brand new favorite pizza. Open your mouth  
and say hello  
to your brand new favorite pizza.
