All I Want (Toad the Wet Sprocket)

Emery

Nothing's so loud as hearing when we lie
The truth is not kind and you've said neither am I
But the air outside so soft is saying everything, everythingAll I want is to feel this way
To be this close, to feel the same
All I want is to feel this way
The evening speaks, I feel it sayNothing's so cold as closing the heart when
All we need is to free the soul but we wouldn't be that brave I know
And the air outside so soft, confessing everything, everythingAll I want is to feel this way
To be this close, to feel the same
All I want is to feel this way
The evening speaks, I feel it say, yeahAnd it won't matter now whatever happens to me
Though the air it speaks of all we'll never be, it won't trouble meAll I want is to feel this way
To be this close, to feel the same
All I want is to feel this way
The evening speaks, I feel it sayAll I want is to feel this way
To be this close, to feel the same
All I want is to feel this way
The evening speaks, I feel it say
