

Somewhere Else

Marillion

The rock-star trip. Some serious ship
White-knuckle journey blackened my
 Eye & cut my lip
Better to be a doctor or a man who
 Walks the earth
Hedonistic laughing boys
What's any of it worth? Look at myself
Look at myself Escaped to this car
Drove to a bar somewhere
 The beautiful game
Such a thin line between love & hate Look at myself
Look at myself Mr Taurus ate a thesaurus
Made the girls cry & skipped straight
 To the chorus
Mr Taurus had a great fall
All the King's horses were no good
 At all
No good at all Here's one I broke earlier
I broke earlier Woke up in a spaceship of shimmer
 Ing gold
Tutenkhamen sleeping
Should'a left him alone
Floating round in Orion
Arrow pointing to heaven
Between all the planets
Out in the cold Everyone I love
 Everyone I love
Everyone I love lives somewhere else
And I have time to look at myself
 Look at myself
Look at myself And I've seen enough
 I've seen enough
Everyone I love lives somewhere else
Everyone I love lives somewhere else Somewhere Else
 Somewhere Else
 Somewhere Else
