

Ring the Bell

Pixies

Ring the bells
Ring the bells
Loved you darling
Some call me Shell
Even now
Even now
My heart is empty
Here come the swellsI wheel away a mountain
And though I've had some good times
I wouldn't have payed a coin
To see the garden once moreI've been up here a long time
And now I see it's high time
To see the gardens once more
To walk with you once moreRing the bells
Ring the bells
Loved you darling
Some call me Shell
Even now
Even now
Loved you darling
Here come the swellsRing the bell
Ring the bell
I've been right here a long time
And now I see it's hightime
To see the garden once moreTo walk with you there once more
I've been away a long time
And though I've had some good times
I won't pay the toll to see the garden once moreRing the bells
Ring the bells
Loved you darling
See ya, farewell
Even now
Even now
My heart is empty
Here come the swellsRing the bells
Ring the bells
Ring the bells
Ring the bells
