

Flood in Houston

Savoy Brown

Did you hear about the flood in Houston?
It happened a long, long time ago
Did you hear about the flood in Houston?
It happened a long, long time ago There was thousands of people, baby
They didn't have no place to go Little children, baby, you know
They were screamin' and cryin'
Little children, baby
They were screamin' and cryin' Just tryin' to find their families
Tryin' to find their happy home Little children were screamin' and cryin'
I watched my brother as he lay dyin'
