Sweetie

Carly Rae Jepsen

[Verse 1]
We were both headed different ways
Both in a rush trynna get away
I ran into you, oooh, oooh, oooh
Like a crash of thunder
Out in the rain waiting for the bus
We started talking 'bout different stuff
And it's true, oooh, oooh, oooh
There's an eighth world wonder
And from now on
You're not as lonely as you think you are
I'm trying to tell you

[Hook]
Anything you want, boy
I can make it happen
We can fall in love, and
I can be your sweetie
Any time of day, boy
I'll be your distraction
We can make it happen
I can be your sweetie, sweetie, babe
You're not as lonely as you think you are
I'm trying to tell you
Anything you want, boy
I can make it happen
We can fall in love, and
I can be your sweetie, sweetie, babe

[Verse 2]
Dinner date and a glass of wine
Stay up late and lose track of time
When I'm with you, oooh, oooh
I feel a different hunger
You held my hand and you didn't let go
I'm gonna kiss you now
I thought you should know
And it's true, oooh, oooh, oooh
There's an eighth world wonder

And from now on
You're not as lonely as you think you are
I'm trying to tell you

[Hook]

[Bridge]
Anything you want, boy
Anything you need
Anything you want, boy
Anything you need

[Hook x2]

[Outro]
That all I want to do
Is just be here with you
And give you satisfaction
In saying sweetie, babe
