Fresh Air (Rare Session)

Quicksilver Messenger Service

Oh, what you do to me, babe?
Oh, what you do to me, little girl
Oh, have another hit of fresh air
Oh, have another hitI want to know, babe, where you're going
I want to know now, where you're gonna go, little girl, yeah
Oh, have another hit of fresh air
Oh, have another hitWhere are you going now, I wanna go with you, babe
Oh, oh, oh, I want to go with you
Oh, have another hit of fresh air
Oh, have another hitI love you, God knows, I do
And I love you, babe, God knows I do girl, yeah
Oh, have another hit of fresh air
Oh, have another hit
