# Too Lost In You

## Sugababes

You look into my eyes
I go out of my mind
I can't see anything
'Cause this love's got me blindI can't help myself
I can't break the spell
I can't even tryI'm in over my head
You got under my skin
I got no strength at all
In this state that I'm inAnd my knees are weak
And my mouth can't speak
Fell too far this timeBaby, I'm too lost in you, caught in you
Lost in everything about you
So deep, I can't sleep, I can't think
I just think about the things that you do
I'm too lost in youWell, you whispered to me
And I shiver inside
You undo me and move me
In ways undefinedAnd you're all I see
And you're all I need
Help me baby
Help me baby'Cause I'm slippin' away
Like the sand to the tide
Falling into your arms
Falling into your eyesIf you get too near
I might disappear
I might lose my mindBaby, I'm too lost in you, caught in you
Lost in everything about you
So deep, I can't sleep, I can't think
I just think about the things that you do
I'm too lost in youI'm going in crazy in love for you baby
I can't eat and I can't sleep
I'm going down like a stone in the sea
Yeah, no one can rescue meYou're my baby
Ohh, baby, babyBaby, I'm too lost in you, caught in you
Lost in everything about you
So deep, I can't sleep, I can't think
I just think about the things that you do
I'm too lost in youI'm lost in you, I'm lost in you
I'm lost in everything about you

So deep, I can't sleep, I can't think
I just think about the things that you do
I'm too lost in you
