

# First World Problems

## Success!

My maid is cleaning my bathroom, so I can't take a shower  
When I do, the water starts getting cold after an hour  
I couldn't order off the breakfast menu, cause I slept in till two  
Then I filled up on bread, didn't leave any room for tiramisu  
Oh no, there's a pixel out in the corner of my laptop screen  
I don't have any bills in my wallet small enough for the vending machine  
Some idiot just called me up on the phone, what!? Don't they know how to text? OMG! I got  
First world, first world problems  
(First world problems)  
First world, first world problems  
(First world problems)  
First world, first world problemsI bought too many groceries for my refrigerator  
Forgot my gardener's name, I'll have to ask him later  
Tried to fast forward commercials, can't, I'm watching live TV  
I'm pretty sure the cookies in this airport lounge ain't gluten-free  
My barista didn't even bother to make a design in the foam on the top of my vanilla latteFirst world, first world  
problems  
(First world problems)  
First world, first world problems  
(First world problems)  
First world, first world problemsCan't remember which car I drove to the mall  
My Sonicare won't recharge, now I gotta brush my teeth like a neanderthal  
The thread count on these cotton shes has got me itching  
My house is so big, I can't get WiFi in the kitchen  
Uh, I had to buy something I didn't even need just so I could qualify for free shipping on AmazonFirst world,  
first world problems  
(First world problems)  
First world, first world problems  
(First world problems)  
First world, first world problems  
First world, first world problems  
(First world problems)  
First world, first world problems  
(First world problems)  
First world, first world problems  
(Laughing)
