Karma

Girl Authority

Weren't you the one that said that you don't want me anymore.
And how you need you're space and give the keys back to your door.
And how i cried and tried and tried to make you stay with me.
And still you said your love was gone and that i had to leave.
Now your talkin bout a family.
Now your sayin you complete my dreams.
Oh
Now your sayin I'm your everything
Your confusing me
what you sayin me don't play with me' don't play with me cause

What goes around comes around,
What goes up must come down
Now who's cryin desiring to come back to me
What goes around comes around,
what goes up must come down.
Now who's cryin desiring to come back to me

I remember when I was sittin home alone
Waitin for you til 3 o'clock in the â€˜morn
And when you came home you'd always have some sorry excuse
Half explaining to me like I'm just some kind of a fool
I sacrificed the things I wanted just to do things for you
But when it's time to do for me
You never come thru
Now you wanna be up under me
Now you have so much to say to me
Now you wanna make time for me
Whatcha doin to me, you're confusin me
Don't play with me don't play with me cause

What goes around comes around
What goes up must come down
Now who's cryin', desiring to come back to me
What goes around comes around
What goes up must come down
Now who's cryin, desiring to come back

I remember when I was sittin home alone
Waitin for you till 3 o'clock in the â€˜morn

Night after night knowing something goin on
Wasn't long before I be gone
Lord knows it wasn't easy believe me
Never thought you'd be the one that would deceive me
And never do what you're supposed to do
No need to approach me fool, cuz I'm over you

What goes around comes around
What goes up must come down
Now who's cryin', desiring to come back to me
What goes around comes around
What goes up must come down
Gotta stop trying to come back to me

What goes around comes around
What goes up must come down
It's called Karma baby and it goes around
What goes around comes around
What goes up must come down
Now who's cryin, desiring to come back to me
