

# Just in Love (feat. Lil Wayne)

Joe Jonas

I Love a girl in a whole nother language  
People look at us strange  
Don't understand us.  
They try to change it  
I try to tell her don't change  
We talk loud and they say it sounds crazy.  
Love's even more wild when you're angry  
Don't understand why you wanna change it  
Girl listen to me!  
You're just running from the truth,  
But I'm scared of losing you.  
You are worth to much to lose  
Baby if you're still confused  
Girl I'm just in love with you  
Girl I'm just in love with you  
No other words to use  
I'm just in love with you  
I'm just in love with you  
When I tell you "I would never leave you"  
Do you hear what I say?  
Don't understand you, you say you need time  
But you've been calling all day.  
Talk love and they say it sounds crazy  
Love's even more wild when you're angry  
I don't understand why you wanna change it  
Girl listen to me!  
You're just running from the truth  
And I'm scared of losing you.  
You are worth to much to lose  
Oh baby! If you're still confused  
Girl I'm just in love with you  
(Do you hear what I say?)  
That I'm just in love with you  
(Can nobody change it?)  
No other words to use  
(I love you baby!)  
I'm just in love with you  
I'm just in love with you  
I'm just in love with you  
Ohhh....  
Never knew what we have  
They don't understand  
That is just a waste of time  
We know this is real.  
I know how you feel  
When you put your hand in mine.  
Girl I'm just in love with you  
Girl I'm just in love with you

No other words to use  
I'm just in love with you  
(Let me say it again. (x2))  
I'm just in love with you  
(Just in love (x2))  
I'm Just In Love With You.
