

Hooks In You

Iron Maiden

I got the keys to view at number 22
Behind my green door there's nothing to see
Stone cold sober and sitting in silence, laid
Back and looking for sympathy
I like a girl who knows where she's bound
I don't like girls who've been hanging around[Chorus]
Hooks in you, hooks in me, hooks in the ceiling
For that well hung feeling
No big deal, no big sin, strung up on love I
Got the hooks screwed in[Chorus]She's tied up she can't come to the phone
You must have got your wires crossed 'cause she ain't home
Knock on wood, you know I like that sound
She never could keep her feet on the ground[Chorus]Right on the money got it wrapped up tight
New ideas for the decor tonight
Gonna make this house a preservation zone
Gonna set her in concrete set her up on her own
