Some People

Brian Dolzani

The sun goes down on a quiet little town
she's a mixed up buttercup messin around
with a drink in her hand make a beeline
for the boys in the band

Moving through the crowd turn the music up loud
Floatin' like a butterfly try to catch somebody's eye
there isn't a boy on the floor that she doesn't adore

Ooh ooh ooh some people say ooh ooh ooh
Some people will catch you when you fall
only a fool don't know you never know some people at all

Mama's little girl in a video world
got the tank top don't stop everything bubble pop
hard rock doo wop take my baby straight to the top now

Wipe up wash down everybody turn around everybody turn around
everybody turn around here comes you know who
and she's lookin' for fools

Ooh ooh ooh some people say ooh ooh ooh
Some people will catch you when you fall
only a fool don't know you never know some people at all

Everyday everyday the wild wild ways of people

The sun goes down on a quiet little town
she's a mixed up buttercup messin' around
with a drink in her hand make a beeline
for the boys in the band

Moving thru the crowd turn the music up loud
floatin like a butterfly try to catch somebody's eye
there isn't a boy on the floor that she doesn't adore

Ooh ooh ooh some people say ooh ooh ooh
Some people will catch you when you fall
only a fool don't know you never know some people at all
