# Whatareya?

## TISM

You're a yob or you're a wanker -
Take your fucking choice
So who is your favourite genius
James Hird or James Joyce?
You ever seen a live performance?
Join the wanker club
You thought I meant table top dancing?
You're a yobbo, bubWhat are ya? Yob or wanker?Wankers once used mobile phones
But now that's sorta changing
And yobs once lived in cottage homes -
Ain't social change amazing?
If a yob and wanker want a girl
The wanker guy will get her -
Both of them are equally ugly
But the wanker hides it betterWhat are ya? Yob or wanker?A wanker fights inequality
And for people's rights;
A wanker fights class prejudice
A yobbo just fights
Yob or wanker - wanker or yob
Pass me the brush to tar ya:
Make your choice then live your life;
Come on pal, what are ya?
