

Bleed Out

Jason Derulo

This isn't life
This isn't life
OohAy, I Love Hard
Why You Wanna Put A Gun To My Heart
I Just Gotta Say Hey
I Just Gotta Say Hey.I've Always Loved Hard
So I Took It Slow
I Guess Is My Fault 'Cause I'm On The Go
But I, Always Cared For You
Not Sayin' I'm Perfect Not Even Close
But I Don't Deserve This
But Girl I Suppose
I Wasn't There For You
Enough CausePre Chorus:
Your Coming Home Late, With Nothing To Say
Can't Look Me In My Face I Can't Live Eh This Way
Can't Leave Her Eh This Way
Can't Live Eh This Way
You Put A Thorn In My Heart
Thats When It Starts, Just A Little Tear, Just A Little Tear,
Thats When I Bleed.2 X Chorus:
When I Bleed, I Bleed Out
When I Cry, I Cry Loud
When I Love You Can Bet I'm All In
But When You Leave I Bleed Out.I Look In Those Eyes
There's Nothing There
I'm Looking Into
The Coldest Stare
I've Ever Seen
We Haven't Touched Each Other Forever
Dont Know What I'd Do, If We're Not Together
I'm Not Ready To Leave, No Baby.Pre Chorus:
Your Coming Home Late, With Nothing To Say
Can't Look Me In My Face I Can't Live This Way
Can't Leave Her This Way
Can't Live This Way
You Put A Thorn In My Heart
Thats When It Starts, Just A Little Tear, Just A Little Tear,
Thats When I Bleed.2 X Chorus:

When I Bleed, I Bleed Out
When I Cry, I Cry Loud
When I Love You Can Bet I'm All In
But When You Leave I Bleed Out. Ay, I Love Hard
Why You Wanna Put A Gun To My Heart
I Just Gotta Say Hey
I Just Gotta Say Hey Ay, I Love Hard
Why You Wanna Put A Gun To My Heart
I Just Gotta Say Hey
I Just Gotta Say Hey [Chorus:] x2
When I Bleed, I Bleed Out
When I Cry, I Cry Loud
When I Love You Can Bet I'm All In
When You Leave I Bleed Out
