Fishbone

The ultimate in flip script deliverin' many blows
All that primate thinkin' broke off leg and elbow
A fruit bowl delight of power knockin' down any door
Chim Chim's laughin' at you and he's slammin' you to the floorChim, Chim's badass revengeWit one mega nut bomb you got blowin' up and away
With a bounty full of Kaboom terrorizn' keep yo' hair arizin'
And the sunshine reflects off, ah dah moon
When you think it's over Chim Chim's scarface in the roomChim, Chim's badass revenge

Drainin' yo gas tankBrakin' the rules
Ignorin' the signal
Runnin' the stop sign
