

Silenced

Uniform Choice

When there's silence
Friends need not speak
It's understood
Die I would
And when there's silence
Cultures appear as one
Colors are blurred
My brother I heard
When there's silence
Meanings all seem clear
Distractions unknown
Uniformly alone
And when there's silence
Love has no hurt
Despair cannot live
Words take I give
The sound of no sound
Is the most deafening of all
The feeling of no feeling
Is the most painful of all
And yet we must endure
For I do now and forever shall
Love all things that are real
Even when... silence is broken
