

I Won't (Acoustic)

Ivory Hours

walking 'round at 6 in the morning
sun soaked the street and blue birds are calling

I feel like I haven't slept for days
pull my change and sip on a coffee
caught in a daze whispering softly

I just wish I could forget your name
but I know I won't

I know I won't light a smoke and go for a wander
down by the lake and im feeling haunted
watching the waves just like we did back then

I look up and smile in the sunshine
I lost your love but I know what it felt like
I just wish I knew how to say good-bye
but I know I won't

I know I won't
