Shake Yer Dix

Peaches

Alright, all you men
You boys, you guys
Are you with peaches?
Then gimme some of this
Shake yer dix, shake yer dix
Shake yer dix, shake yer dix
Okay, how about you girls
You women, you ladies
Are you with peaches?
Alright then let's try this, are you ready?
Shake yer tits, shake yer tits
Shake yer tits, shake yer tits
Boys like the lips swinging in their face
Lying back, it's taking their own space
We're gonna kick it now and take your place
C'mon and give us a taste
I'm not the only one with body to kill
I like to see just how you swing that thrill
C'mon baby, baby, use that thing
You make my panties go pink
Shake yer dix, shake yer dix
(Shake yer dix, shake yer dix)
Shake yer dix, shake yer dix
I know you all play bottom and top
I know you all like to hotbox
'Cause you're ready to flip it again
Keep it sis so that it never ends
Shake yer tits, shake yer tits
(Shake yer tits, shake yer tits)
Shake yer tits, shake yer tits
(Shake yer dix, shake yer tits)
(Shake yer dix, shake yer tits, shaker)
Shake yer tits, shake yer tits
(Shake yer tits, shake yer tits)
Shake yer tits, shake yer tits
(Shake yer dix, shake yer tits)
(Shake yer dix, shake yer tits, shaker)
Are the motherfuckers ready for the fatherfuckers?
Are the fatherfuckers ready for the motherfuckers?

Are the motherfuckers ready for the fatherfuckers? No
Are the motherfuckers ready for the fatherfuckers?
Are the fatherfuckers ready for the motherfuckers?
Are the motherfuckers ready for the fatherfuckers? No
Girls and boys they want it all
Lay back and make the call
You need that flip, yeah, really quick
And keep it so slow, it sick
You gotta shake yer dix and yer tits
I'll be me and you be you
Shake yer dix and shake yer tits
And let me be you too
Shake yer dix, shake yer tits
(Shake yer dix, shake yer tits)
Shake yer dix, shake yer tits
(Shake yer dix, shake yer tits)
(Shake yer dix, shake yer tits, shaker)
Are the motherfuckers ready for the fatherfuckers?
Are the fatherfuckers ready for the motherfuckers?
Are the motherfuckers ready for the fatherfuckers? No
Are the motherfuckers ready for the fatherfuckers?
Are the fatherfuckers ready for the motherfuckers?
Are the motherfuckers ready for the fatherfuckers? No
Are the motherfuckers ready for the fatherfuckers?
Are the fatherfuckers ready for the motherfuckers?
Are the motherfuckers ready for the fatherfuckers? No
Are the motherfuckers ready for the fatherfuckers?
Are the fatherfuckers ready for the motherfuckers?
Are the motherfuckers ready for the fatherfuckers? No
Shake yer dix, shake yer tits
(Shake yer dix, shake yer tits)
Shake yer dix, shake yer tits
(Shake yer dix, shake yer tits)
(Shake yer dix, shake yer tits, shaker)
