## **Foolish Heart**

## **Nina**

I need a love that grows I don't want it unless I know But with each passin' hour, someone, somehow Will be there, ready to shareI need a love that's strong I'm so tired of being alone But will my lonely heart play the part Of the fool again, before I begin? Foolish heart, hear me calling Stop before you start falling Foolish heart, heed my warning You've been wrong before, don't be wrong anymoreI'm feelin' that feelin' again I've been playin' a game I can't win Love's knockin' on the door of my heart once more Think I'll let him in before I beginFoolish heart, hear me calling Stop before, you start falling Foolish heart, heed my warning You've been wrong before, don't be wrong anymoreFoolish heart Foolish, foolish heart You've been wrong beforeFoolish heart, hear me calling Stop before you start falling Foolish heart, heed my warning You've been wrong before, don't be wrong anymore Foolish heartOh, foolish, foolish heart You've been wrong before Foolish, foolish heart, foolish heart
