

# Love Like This

## Concetta Kirschner

I've got a way with counting cars  
And you've got a way of breaking hearts.  
I've got the keys to a real fast car.

And you're a real fast girl,  
I want a love like this  
Won't you show me a love like that.  
(woah oh oh)

They say that loves a bitch  
Read my lips  
I've waited all my life for a bitch like this  
For a kiss like this

Take off your jeans  
And your cowboy boots  
I like it best  
In my cheap suit  
I cut the breaks to your racing heart

'Cause you're a real fast girl

I want a love like this  
Won't you show me  
A love like that  
(woah oh oh)

They say that loves a bitch  
Read my lips  
I've waited all my life for a bitch like this  
For a kiss like this

Clean up the hotel suite  
You've made a mess of me  
You've got me on my knees  
I'm spinning out  
I'm tangled in your sheets  
You've got the best of me

Were never coming down

But were coming

I want a love like this  
Wont you show me  
A love like that  
(woah oh oh)

They say that loves a bitch  
Read my lips  
I've waited all my life for a love like this  
A love like this  
Wont you show me a love like that  
(woah oh oh)

They say that loves a bitch  
Read my lips  
I've waited all my life for a bitch like  
Waited all my life for a love like  
Waited all my life for a kiss like this

For a kiss like this  
For a kiss like this  
For a kiss like this  
For a kiss like this
