Amen Omen

Ben Harper

What started as a whisper, slowly turned into a scream
Searching for an answer, where the question is unseen
I don't know where you came from, and I don't know where you've gone
Old friends become old strangers between darkness and the doorAmen omen, will I see your face again?
Amen omen, can I find the place within to live my life without you?I still hear you saying, "All of life is chance"
And is sweetest, is sweetest when at a glance
But I live, I live a hundred, hundred life times in a day
But I die a little in every breath that I takeAmen omen, will I see your face again?
Amen omen, can I find the place within to live my life without you?I listen to a whisper slowly drift away
Silence is a loudest parting word you never say
I put, I put your world into my reins
And now a voiceless sympathy is all that remainsAmen omen, will I see your face again?
Amen omen, can I find the place within to live my life without you?Amen omen, will I see your face again?
Amen omen, can I find the place within?
Amen omen, will I see your face again?
Amen omen, can I find the strength to within?
