

You Asked Me To

Elvis Presley

Long ago and far away
My old common labor shoes
I turned the world all which a way
Just because you asked me to Likened to no other feel
Summer love is simple true
There's no end of what I'd do
Just because you asked me to Let the world call me a fool
(Aah aah aah aah)
What if things are right with me and you
(Aah aah aah, aah aah aah)
That's all that matters and I'll do
(Ooh, ooh)
Anything you ask me to
Knowin' how much I love you
After all I've been through
I'd turn and walk away from you
Just because you asked me to Let the world call me a fool
(Aah aah aah aah)
What if things are right with me and you
(Aah aah aah, aah aah aah)
That's all that matters and I'll do
(Ooh, ooh)
Anything you ask me to Let the world call me a fool
(Aah aah aah aah)
What if things are right with me and you
(Aah aah aah, aah aah aah)
That's all that matters and I'll do
(Ooh, ooh)
Anything you ask me to
Let the world call me a fool
(Aah aah aah aah)
What if things are right with me and you
(Aah aah aah, aah aah aah)
That's all that matters and I'll do
(Ooh, ooh)
Anything you ask me to
