

# The Birthing

## Samhain

Your pain is nothing dreamed  
All pain is one  
Your birth among the mind  
It leaves such a lesion Do you really want love  
Do you really care  
You feel this hungry suffering  
In this birthing Birthing, your end is birthing like a child  
Birthing, your end is birthing, open wide In life as it is in death  
All pain is one  
In death as it is in birth  
Pain cures hesitation Do you really want love  
Do you really care  
You feel this hungry suffering  
In this birthing Birthing, your end is birthing like a child  
Birthing, the end is birthing, open wide Birthing, the end is birthing like a child  
Birthing, the end is birthing, open wide This pain is nothing dreamed  
All pain is one  
This birth among the dead  
It brings nothing evil Do you really want love  
Do you really care  
You feel this hungry suffering  
In this birthing Birthing, the end is birthing like a child  
Birthing, the end is birthing, open wide  
Birthing, the end is birthing like a child  
Birthing, the end is birthing, open wide
