That Little Baby

Gold City

Once there were three wise men
Who were following a star traveling to Bethlehem
From eastern lands so far
They had heard about a birth there
An anointed holy one born to be messiah
God's only begotten son

CHORUS
That little baby he was born of a virgin
He was sent down to save us
and to bear every burden
He was God in the flesh
So let the hallelujahs ring
That little baby is the king

Angels were desceding on that bright and starry night
Shepherds came to see him beneath that star so bright
That baby in a manger in that little Jewish town
One day will rule the universe
Creation will bow down

CHORUS
That little baby he was born of a virin
He was sent down to save us
and to bear every burden
He was God in the flesh
So let the hallelujahs ring
That little baby is the king

That little baby he was born of a virgin
He was sent down to save us
and to bear every burden
He was God in the flesh
So let the hallelujahs ring
That little baby is the king

He was God in the flesh
So let the hallelujahs ring
That little baby is the king
That little Baby is the king
