

Bat Country (Live At Hammerstein Ballroom)

Avenged Sevenfold

He who makes a beast out of himself
Gets rid of the pain of being a man Ah! Caught here in a fiery blaze, won't lose my will to stay
I tried to drive on through the night
The heat stroke ridden weather, the barren empty sights
No oasis here to see, the sand is singing deathless words to me Can't you help me as I'm startin' to burn (all
alone)
Too many doses and I'm starting to get an attraction
My confidence is leaving me on my own (all alone)
No one can save me and you know I don't want the attention As I adjust to my new sights the rarely tired lights
Will take me to new heights
My hand is on the trigger and I'm ready to ignite
Tomorrow might not make it but everything's all right
Mental fiction follows me; show me what it's like to be set free Can't you help me as I'm startin' to burn (all
alone)
Too many doses and I'm starting to get an attraction
My confidence is leaving me on my own (all alone)
No one can save me and you know I don't want the attention So sorry you're not here I've been sane too long
my vision's so unclear
Now take a trip with me but don't be surprised when things aren't what they seem. Caught here in a fiery blaze,
won't lose my will to stay
These eyes won't see the same, after I flip today Sometimes I don't know why we'd rather live than die, we look
up towards the sky
For answers to our lives
We may get some solutions but most just pass us by, don't want your absolution
'Cause I can't make it right I'll make a beast out of myself, gets rid of all the pain of being a man Can't you help
me as I'm startin' to burn (all alone)
Too many doses and I'm starting to get an attraction
My confidence is leaving me on my own (all alone)
No one can save me and you know I don't want the attention So sorry you're not here I've been sane too long
my vision's so unclear
Now take a trip with me but don't be surprised when things aren't what they seem
I've known it from the start all these good ideas will tear your brains apart
Scared but you can follow me, I'm too weird to live but much too rare to die
