Thick (feat. SÃ¸n WÃ¸lf)

Trisha Paytas

Pink G-Wagon and my hair on fleek
Mad 'cause I got your man salivating
Silly, skinny hater keep on sizing me up
Jealous of me 'cause I got a booty like (what)I'll be the next-gen trendsetter; fashionista
Of full force military who takes off
Yeah, SÃ¸n WÃ¸lf got me on another level
I'm graduating from cadet to a generalNow my grind gets dirty, my base gets low
My vibes in the cut, you're behind the tempo
Now I never have to grind, never have to pretend
'Cause thick girls are a boy's best friend
Come on everybody, now clap your hands
Thick girls are a boy's best friend
All my plus size ladies, let me hear it again:
Thick girls are a boy's best friend
Come on everybody, now clap your hands
Thick girls are a boy's best friend
All my plus size ladies, let me hear it again:
Thick girls are a boy's best friendSolar flare burnin' up the discotheque
Sweat drippin', twerkin' got you soakin' wet
Yeah, DJ spinnin' on my new LP
To the window to the wall, I'm the real OGI'm comin' slick with the lyric, make it hard to play
Usin' top shelf game, too cool to claim
Sweet as Ghirardelli, fresh as Febreze
Now, I'mma break it down for you like a DO double G
I'll be the natural rollin' back Casanova
Smooth sweet talk could make your panties drop
Now, pulls pumpin' deeper in between these sheets
Your body shakin' all over, screamin': "Aye, Papi!"Come on everybody, now clap your hands
Thick girls are a boy's best friend
All my plus size ladies, let me hear it again:
Thick girls are a boy's best friend
Come on everybody, now clap your hands
Thick girls are a boy's best friend
All my plus size ladies, let me hear it again:
Thick girls are a boy's best friendGuinness World Record, yeah, you 'ought to know
I'm rippin' these rhymes faster than a lightning bolt
Used to be a side chick, I'm a femme fatale
And I'mma slay these hoes like a gladiatorThe elite, undisputed world champion
Flawless with every single imperfection

Dated young marquees, star of the show
Servin' up all you salty bitches vertigo'Cause my squad so flossy, your possy so lame
Freshwater guppy, welcome to the shark tank
Now, the real crown jewel of the Hollywood Hills
Ain't no plastic housewife, it's a pinup girlCome on everybody, now clap your hands
Thick girls are a boy's best friend
All my plus size ladies, let me hear it again:
Thick girls are a boy's best friend
Come on everybody, now clap your hands
Thick girls are a boy's best friend
All my plus size ladies, let me hear it again:
Thick girls are a boy's best friendThick girls are a boy's best friend
Thick girls are a boy's best friend
