Disappear

The Summer Obsession

Iâ€™m trapped in a world that I canâ€™t take
Where everythingâ€™s unrealistic and fake
Iâ€™m hiding out and planning my escape
I hope Iâ€™m not the only one

Please come and rescue me tonight
I just wish that I could disappear
(Disappear)
Someone take me far away from here
(Far from here)
Do you suppose
Thereâ€™s more to life out there

Thereâ€™s no happiness surrounding me
Hate and ugliness is all I see
I wanna leave it all behind
Iâ€™m running out of time

Please come and rescue me tonight
I just wish that I could disappear
(Disappear)
Someone take me far away from here
(Far from here)
Do you suppose
Thereâ€™s more to life out there

And I donâ€™t wanna be blind
(I wanna open my mind)
I wanna know if theres a purpose to this life
Will I ever find it
Iâ€™m running out of time
Running out of time

Iâ€™m trapped in a world that I canâ€™t take
Hiding out and planning my escape

Please come and rescue me tonight
I just wish that i could disappear
Someone take me far away from here
Do you suppose

Thereâ€™s more to life out there
I just wish that I could disappear
(Disappear)
Someone take me far away from here
(Far from here)
Do you suppose
Thereâ€™s more to life out there
I just wish that I could disappear
