

God (feat. Thomas Holsey)

Eddie James

God In the beginning was the Word and the Word was with God
The same was in the beginning
With God all things were made by Him and without Him was not anything made
It is He who has made us and not we ourselves
For we have one God and Father of all
Who is above all, through all, and in you all
God, the Holy Ghost, spirit of truth, indwelling power
God, the Son, Jesus, the same
Yesterday, today, and forevermore Jehovah, Yeshua, I AM, Elohim
Kadesh, He's Holy, None compares to Him
Glorious, All-Sufficient, Triumphant King
For Thy pleasure You created all things

(Rap)

Yeah, that's right we're talking about God the Creator
Talking about the Ruler of all
The I AM who created man
He's the Rock, He's the Lion and He's the Lamb
Almighty leaves Satan deceased
He's the Most High, Satan's the least
He defeated Him, He's victorious
Our God's too powerful, He's too glorious God before the foundations of the world you were God
Before dominions, the heavens, the earth, and the angels
God before the galaxies, water, wind or the air we breathe
Nothing and no one can exist outside of Thee
For You are God

Who can counsel, advise, instruct, direct or give wisdom to God
Who has weapons or an army to wage war and defeat our God
Who has insight, who has revelation to describe the One whose ways are past finding out?
Jehovah, Yeshua, I AM, Elohim
Kadesh, He's Holy, None compares to Him
Glorious, All-Sufficient, Triumphant King
For Thy pleasure You created all things (Rap)

Yeah, that's right He's kadesh

He's holy, He's different, yeah He's the best

Ain't no match for Him, He's on top

That's right yeah He's coming and He can't be stopped

He's unstoppable that's 'cause He's too strong and He's the boss

Overall He's over all and above everything else our God stands too tall God The greatest insult is to take the
work of one's hands and call it God

Even greater is to take the work of His hands and call it God
 Provoke His jealousy, fire burning envy
 Take anyone, take anything and put it in the place of the true and the living God
 His glory shall not be shared with another
 God, exclusive, you can have no other lovers
 God wrapped in humanity, He gave His life for me
 In Him dwelleth all the fullness of the Godhead bodily Jehovah, Yeshua, I AM, Elohim
 Kadesh, He's Holy, None compares to Him
 Glorious, All-Sufficient, Triumphant King
 For Thy pleasure You created all things(Round)
 God, God, God, God, You alone are God
 Eyes like fire, hair like wool, feet like brass, voice of many waters
 Kadesh, Holy, Sovereign, Different, voice of many waters
 Holy, worthy, holy, worthy, holy, worthy Glorious in holiness, fearful in praises
 You do wonders, who is like unto You?
 For You are
 Glorious in holiness, fearful in praises
 You do wonders, who is like unto You?
 For You are(Round)
 God, God, God, God, You alone are God
 Eyes like fire, hair like wool, feet like brass, voice of many waters
 Kadesh, Holy, Sovereign, Different, voice of many waters
 Holy, worthy, holy, worthy, holy, worthy Glorious in holiness, fearful in praises
 You do wonders, who is like unto You?
 For You are Jehovah, Yeshua, I AM, Elohim
 Kadesh, He's Holy, None compares to Him
 Glorious, All-Sufficient, Triumphant King
 For Thy pleasure You created all things Oh praise Jehovah, Kadesh, Yeshua
 Cuz there's no other, You're God and You're Holy
 Oh praise Jehovah, Kadesh Yeshua
 Cuz there's no other, You're God and You're Holy
 Oh praise Jehovah, Kadesh, Yeshua
 Cuz there's no other, You're God and You're Holy You're God, You're Holy
 You're God and You're Holy
 You're God and You're Holy
 You're God and You're Holy
