People In the Shadow

Skip the Use

Winding roads are the most beautiful
sun goes down and the sweat rises up
my only true rock city
welcome to my road movie
so cool to be so trashy
my only true rock city
the world's going so crazy
step in to my rock city
harder and harder is how this night must be.There's something wrong in my throat
cause you're selling me lies and deception
my only true rock city
welcome to my road movie
so cool to be so trashy
my only true rock city
the world's going so crazy
step in to my only true rock city
harder and harder that's how this night must beI wanna know you: people in the shadow
I want to know ! Are you ready to go?
I want to know why God is a liar
I want to know you: people in the shadow!
