Mourning Son

Dave Navarro

She gave herself to me
She's gone away from me
Where is the heartbeat coming from?
Lost is the heartbeat where I come fromLie awake when the morning comes and I taste the fear
I can't live on the breath you take but I still feel you
Where is the heartbeat coming from?
Lost is the heartbeat where I come fromSay goodnight to the mourning son
I'll say goodbye to you sleeping onePlease don't leave if I don't trust you, I'm alone for now
If I told you I was bottle fed, would you nurse me?
Where is the heartbeat coming from?
Lost is the heartbeat where I come fromSay goodnight to the mourning son
I'll say goodbye to you sleeping oneDreamer of the dream
Dreamer of the dream
Dreamer of the dreamSay goodnight to the mourning son
I'll say goodbye to you sleeping one
One day she'll die for you mourning son
One day I'll lie with you sleeping oneDreamer of the dream
Dreamer of the dream
Dreamer of the dream
