

One-Way Night

Metro

Maybe youâ€™re not ready
for this kind of love
No-one ever
swept you off your feet
Maybe no-one ever
gave you love
like someone
you picked up on the street

Itâ€™s a strange world
This world youâ€™re turning on to
And thereâ€™s no-one
to tell you if itâ€™s right
Donâ€™t you feel like youâ€™ve
nothing to hang on to
Now that youâ€™ve gone too deep
into my one-way night?

You take another cigarette
and burn it out
Yes, youâ€™ve spent another
evening with a stranger
And suddenly you see
the way itâ€™s turning out
And once again
the night is full of danger

And itâ€™s a strange world
This world youâ€™re turning on to
And thereâ€™s no-one
to tell you if itâ€™s right
Donâ€™t you feel like youâ€™ve
nothing to hang on to
Now that youâ€™ve gone too deep
into my one-way night?

You know that itâ€™s not really
what it seems to be
But like the Devilâ€™s invitation
It might just set you free

If I am for you
If I am against you
If Iâ€™ve got nothing left to hide
If I am for you
If I am against you
What are my feelings deep inside?

Maybe youâ€™re not ready
for my kind of love
Maybe youâ€™re a
foxy kind of schemer
And maybe Iâ€™m too innocent
to give you love
You know Iâ€™m just
a smoky kind of dreamer

And itâ€™s a strange world
This world Iâ€™m turning on to
And thereâ€™s no-one
to tell me if itâ€™s right
And I feel like Iâ€™ve
nothing to hang on to
Now that Iâ€™ve gone too deep
into your one-way night

Donâ€™t you feel like thereâ€™s
nothing to hang on to
Now that weâ€™ve gone too deep
into this one-way night?
