Dare You To Move (Alternative Version)

Switchfoot

Welcome to the planet Welcome to existence Everyone's here Everyone's hereEverybody's watching you now Everybody waits for you now What happens next? What happens next?I dare you to move I dare you to move I dare you to lift Yourself up off by the floorI dare you to move I dare you to move Like today never happened Today never happened beforeWelcome to the fallout Welcome to resistance The tension is here The tension is hereBetween who you are And who you could be Between how it is And how it should be yeahI dare you to move I dare you to move I dare you to lift Yourself up off by the floorI dare you to move I dare you to move Like today never happened Today never happenedMaybe redemption has stories to tell Maybe forgiveness is right where you fell Where can you run to escape from yourself? Where you gonna go? Where you gonna go? Salvation is hereI dare you to move I dare you to move I dare you to lift yourself To lift yourself up off by the floorI dare you to move I dare you to move Like today never happened Today never happened Today never happened Today never happened before
