

# Ready Set Go (feat. Capital Kings)

## Royal Tailor

Lived so long with my eyes on me  
Too deaf to hear, too blind to see  
Oh, broken hearts on the city streets but  
I can hear that you're calling me to  
Be the hope, be the light, be the love  
Right now, starting right now Oh, you put my life in motion  
Your love makes me want to give my all  
Ready set go  
Ready set go oh  
So no, I'm not holding back anymore  
Like an engine ready to explode  
I'm ready set go  
Ready set go oh, oh Can't stop this clock is counting down, go down  
So many lost waiting to be found, oh yeah  
I would go where you're leading me, God  
Reach my hands to the least of these  
I'll be the hope, be the light, be the love  
Right now, starting right now Oh, you put my life in motion  
Your love makes me want to give my all  
Ready set go  
Ready set go oh  
So no, I'm not holding back anymore  
Like an engine ready to explode  
I'm ready set go  
Ready set go oh, oh Give me the green light  
Show me the finish line  
No more spinning in circles  
No more wasting time  
So let it start today, where I flip the switch say  
You're my light, I won't fight, I'll go wherever you say  
To the top of the highest mountain  
To the bottom of every valley  
I'll be the spark that turns into the grand finale  
This love is something everyone needs to know  
Hearts are callin', no more stalling, it's just  
Ready set go Broken hearts on the city streets but  
I can hear that you're calling me to  
Be the hope, be the light, be the love  
Right now, starting right now Oh, you put my life in motion

Your love makes me want to give my all

Ready set go

Ready set go oh

So no, I'm not holding back anymore

Like an engine ready to explode

I'm ready set go

Ready set go oh, oh
