

# They Don't Know (Radio Edit)

## Disciples

They think I want it  
But they don't know  
They think I'm feeling for it  
But they don't know  
They think I got it  
But they don't know  
They think I'm feeling for it  
But they don't knowI've never been deep on it»;  
I've never been deep down on it»;
