

I Need You Now (Re-Recorded)

Eddie Fisher

If I ever needed you, I need you now
I can't remember when I've ever been so blue
If I ever needed love, I need it now
I feel so all alone I don't know what to do
No day or night goes by when I don't have my cry
I feel like I could die from wanting you
I can ease my achin' heart but you'd know how
If I ever needed you, I need you now
If I ever needed love, I need it now
I feel so all alone, I don't know what to do
No day or night goes by when I don't have my cry
I feel like I could die from wanting you
I can ease my achin' heart, honey, you'd know how
If I ever needed you, I need you now
