No Love (Nick Wisdom Remix)

Little Dragon

No sympathy really here
All the sweetness is left somewhere
On some street miles from where we seem to be
No love, no loveNo compassion really here
Even the reason why we met
Has vanished in the air
You keep talking while I sit and glare

Just cant understand how it disappeared noNo love in this room
No love left in here
No love in my soul left for youNo love left in here
No love in this room

No love in my soul left for youSo I sit and wait till it appears

Hopefully someday soon

Hopefully before next year I just sit and I glare

It's a mystery how it vanished

How it left me hereOh my heart so bare

Nothing left to share

Oh where did it go

Withered away

Give me love that will stayNo love in this room

No love left in here

No love in my soul left for youNo love left in here

No love in this room

No love in my soul left for youNo love left in here

No love in this room

No love in my soul left for youNo love in this room

No love left in here

No love in my soul left for you
