

Electric Green

Kim Richey

Aah, aah, aah, aahIn the midnight sun, watching colors run

Bring back electric green

When the morning comes, we'll be overdone

Time for my favorite dream, uh, huh

Bring back electric greenTime gets wasted running with the pack, go on

Toss it out the window, try and get your money back

Smoke 'em if you got 'em, bring along an extra pack

Sunrise, sunsetIn the midnight sun, watching colors run

Bring back electric green

When the morning comes, we'll be overdone

Time for my favorite dream, uh, huh

Bring back electric greenFingerprints on broken glass

That's what you get for looking backAah, aah, aah, aahHere goes nothing, nothing to get buzzed about

Take a little something, something that'll sort me out

So what if it never did, doesn't mean it won't work now

Sunrise, sunsetIn the midnight sun, watching colors run

Bring back electric green

When the morning comes, we'll be overdone

Time for my favorite dream, uh, huh

Time for electric greenIn the midnight sun, watching colors run

Bring back electric green

(In the midnight sun, watching colors run)When the morning comes, we'll be overdone

(Bring back electric green.)

Time for my favorite dream, uh, huh

(When the morning comes, we'll be overdone)In the midnight sun, watching colors run

(Time for my favorite dream, uh, huh)

Bring back electric green

(Aah)

Bring back electric green

(Aah)Bring back electric green

(Aah)

Bring back electric green

(Aah)Bring back electric green

(Aah)
