

# I'm Gonna Move To the Outskirts of Town

[Ray Charles](#)

I'm gonna move, baby  
Way out on the outskirts of town  
I'm gonna move, baby  
Way out on the outskirts of town  
You see I don't need nobody  
Always hangin' 'round Let me tell you, honey  
We gonna move away from here  
I don't need no iceman  
I'm gonna get you a Frigidaire When we move  
Way out on the outskirts of town  
Whoa, you see we won't need nobody  
Always hangin' 'round It may seem funny, honey  
Funny as can be  
If we have a dozen children  
You know they all, all better look like me When we move  
Way back 'a town  
Whoa-oh-oh-oh, we won't need no-body  
Always hangin round We don't need nobody, baby  
All, always hanging 'round  
Hangin' 'round  
Hangin' 'round
