

No Second Prize (Featuring The Family Choir)

Jimmy Barnes

Oh yeahI heard about a person who had a broken heart
With nothing to drive him on, no hope no spark no flame
 He couldn't see at all tears they were blinding him
 He kept it all inside, the guilt and all the pain
 You know I say I tried to warn him
 They had him backed up against the wall
I hope I'm not too lateNo one can tell you exactly what you have gotta be
 You've got to stand your ground and fight to save your life
 It may be hard but ooh ooh it's the only way
 Always remembering there ain't no second prize
There ain't no second prizeYou know I say I tried to warn him
 They had him backed up against the wall
 Why can't I stand up and try to tell him
 They've got me backed up against the wall
I hope I'm not too lateNo one can tell you exactly what you have gotta be
 You've got to stand your ground and fight to save your life
 It may be hard but ooh ooh it's the only way
 Always remembering there ain't no second prize
There ain't no second prizeOh no there ain't no second prize
 There ain't no second prizeOh no there ain't no second prize
There's not gonna be no second prizeOh no there ain't no second prize
 Oh there's no second prizeOh no there ain't no second prize
 Never never never gonna beOh no there ain't no second prize
