

# Pop Porn

## Regurgitator

Yeah, I'm a sexist motherfucker on the microphone  
With my ah yo, bitch, suck my dick ho' drone  
I like the pop porn with that gat drawn  
I'm a dick machine and I'm switched on I'm a creature part man but mostly dick  
A genus penis, my mouth's a prick  
A semen geyser, a woman despiser  
A gender spender, emotional miser I glorify the backstage heady  
I grab my nuts 'cos they're teddy, teddy One and the two and the three and the four  
Take your macho shit, and please be leaving by the door  
We kick up the land with respect to all No matter what your color, no matter what your sex  
No matter what your color, no matter what your sex  
Respect Yeah, I'm the flyest dapper, the bubble gum wrapper  
I like to jerk around like a young whipper snapper  
Fresh like manure, I'm pure sewer shite  
Yeah, that's right Got a fat gat that I pack in my jock strap jack  
Iron priapism, killer jism in its nut sack  
Boo yeah, I think, I just came, yeah, was it good for you too?  
You've got a hole where I blew One and the two and the three and the four  
Take your macho shit, and please be leaving by the door  
We kick up the land with respect to all No matter what your color, no matter what your sex  
No matter what your color, no matter what your sex  
No matter what your color, no matter what your sex  
Respect No matter what your color, no matter what your sex  
No matter what your color, no matter what your sex  
No matter what your color, no matter what your sex  
Respect
