The Slide

Noble Watts

Jesus, sweet Jesus if you're listening
Can you pass me to your pa?
I'm having a hard time understanding
Why he's so cruel and demanding with his loveDarling, sweet darling keep whispering
I'll find you through this din
Sitting and watching
Two flames busy dancing to our loveGrab on to this moment
Inhale it, hold it inside
Savor it's sweetness
Yearn for the slideGrab on to this moment
Inhale it, hold it inside
Savor it's sweetness
Yearn for the slideJesus, sweet Jesus if you're listening
Can you pass me to your pa?
I'm having a hard time understanding
Why he's so discriminating with his loveI'm having a hard time understanding
Why he's so discriminating with his love
With his love, yeah with his love
With his love, yeah with his love
