

# You Lift Me Up

## Everything But the Girl

When the light fades on a long bad day  
I sometimes weaken  
And then I turn to see you've been waiting for me  
I know I'm not beaten 'Cause you, you lift me up, you lift me up  
You lift me up, you do  
You lift me up, you lift me up  
You lift me up, you  
Coming home sometimes, I catch the headlines  
It's rained since Saturday night  
And the trains run late, I'm stuck at Notting Hill Gate  
But you're making it all alright 'Cause you, you lift me up, you lift me up  
You lift me up, you do  
You lift me up, you lift me up  
You lift me up, you do  
Such a little thing, our love  
Won't make the world alright  
But love makes sense of life  
And that's enough, at least tonight  
So late at night, maybe when you call me, baby  
The day will just fall away  
And you, you lift me up, you lift me up  
You lift me up, you do  
You lift me up, you lift me up  
You lift me up, you do  
You lift me, you lift me, you lift me  
You lift me, you lift me, you lift me
