Break The Silence

Richard Caddock

Trying to break the silence
My mind speaks in between
Feeling trapped and isolated
Like it was only just a dream
Dream
Dream
Dream
Dream
Dream
Dream
Dream
Dream
Could this all be just a dream?
Dream
Dream
Dream
Dream
Dream
Dream
Dream
Dream
I can feel it coming and it's falling down on me
I've been losing all control of everything I see
Am I losing all my mind on my own?
You have been here all along, I know
Trying to break the silence
My mind speaks in between
Feeling trapped and isolated
Like it was only just a dream
Dream
Dream
Dream
Dream
Dream
Dream
Dream
Dream
Could this all be just a dream?
