

The Fire Still Burns

Cradle of Filth

You thought it was gone
But the fire goes on
And I thought you knew me
I told you before, 'til I settle the score
That I'll never run free I have enough pain and anger in my brain
To last many lifetimes
Yet still it grows and the more that it shows
I won't have peace of mind The fire, the fire still burns I have a dream
And as strange as it seems
There's no embers glowing
The fire's gone out
And there's no need to shout 'Cause no anger's showing
But it's not true, nothing I ever do
Seems to ease my fury Get out of my way
I'm the hangman today
And the judge and jury The fire, the fire still burns
