In the Morning Time

The Clovers

In the Morning Time

It was early one morning, â€˜round about four
Baby's _____ sheâ€™s ready to go
In the morning time, in the morning time.
Sheâ€™s been drinking bad whiskey
She's feelinâ€™ that no good wine.

She stumbled down the hallway drunk from _____
Reached for the bottle and fell off the stair
In the morning time, in the morning time.
Sheâ€™s been drinking bad whiskey
She's feelinâ€™ that no good wine.

She said, â€œDaddy, Daddy, Daddy, canâ€™t you see
Somebody tried to _____for me
In the morning time, in the morning time.
Sheâ€™s been drinking bad whiskey
She's feelinâ€™ that no good wine.

She had whiskey at the counter, wine at the bar,
Hit a big Caddy and wrecked my new car
In the morning time, in the morning time.
Sheâ€™s been drinking bad whiskey
She's feelinâ€™ that no good wine.

Well, she acted real frisky, held me real tight,
Told me, â€œDaddy, Daddy everything is alright.â€•
In the morning time, in the morning time.
Sheâ€™s been drinking bad whiskey
She's feelinâ€™ that no good wine.
